

BOB BERTUCCI has directed one of the most successful camps in the country for the past 39 years. The camps allow an aspiring volleyball athlete the opportunity to be exposed to Coach Bertucci's highly successful training methods. His training methods, as described in his books and videos, are employed at every camp. All camps will have certified staff who are highly competent and well-versed in the Bertucci training system.

THE 2019 CAMPS will feature special guest instructors, personalized training and a recommended coach-player ratio of 1-12. The underlying philosophy that these camps were founded upon was to make available quality volleyball training that was both affordable and convenient.

Two sessions will be dedicated to individual skill development. One session will be designed to improve players' skills within their specialty. The final sessions will focus on developing a complete understanding of all team functions using game action drills and 6v6 competition.

Players will work with Coach Bertucci, SHU assistants and other national level coaches.

Resident campers will stay in a local Marriott hotel supervised by camp staff and be transported by the coaching staff to the Pitt Center on Sacred Heart's campus for training. All meals are provided by the camp. Commuter campers will eat lunch and dinner with the resident campers.
